FAQ

Q: What is my guaranteed playing time?

A: All players will play a minimum of 50% of total game time at the event. If a player pitches in a game that counts for 50% of that game. We may need to have the player on the bench to come into the game with a proper warm up. Some players will play more based on performance and at the discretion of coaches.

Q. How do I make payment and when is it due?

A. Deposit is due within 7 days of confirmation to secure a spot. All payments are non-refundable or transferable for any reason

Q. Where do we stay when we travel?

A. We will have a Hotel block for each team.

Q. What other services does Inside Pitch Cyclones Baseball provide?

A. Players should consider Inside Pitch an additional resource for referral and reference to any interested college or scout. **We have placed over 215 players into colleges across the USA and Canada.**

Q. I am too young for college recruiters and pro scouts. Why should I attend a national event?

A. These events are excellent opportunities for younger players to assess their abilities against national level competition, gain confidence and to become accustomed to the pressures of performing before professional evaluators.

Q. What uniforms/equipment do we need?

A. IP provides pro-style jersey + hat. Players need to wear white pants, black or red belt and red socks. Please note if wearing any hoodies, jackets, etc they do need to be Inside Pitch apparel (all items available for order).
